

C.V. (Curriculum vita)

Prof. Dr. Samia Hussien M.Goda

Professor of math Education

Tabuk University- Mathematics Department –Saudi Arabia.

E Mail: sgoda@ut.edu.sa

M : 00966590653824

Web Site:

<https://www.ut.edu.sa/ar/Staff/Pages/default.aspx?EmpNum=REeHnYrKyVnFWd3Y%2fkrz6w%3d%3d>

Citizenship:

Egyptian

Education:

- Ph.D. :** *Curricula and Teaching Methods of Mathematics, Faculty of Education , Benha University, 2010.*
- M.Sc. :** *Curricula and Teaching Methods of Mathematics, Faculty of Education , Benha University, 2007.*
- Bachelor** *Bachelor in mathematics, Faculty of Education , Benha University, 1999.*

Professional Experience (Academic):

- **2020 – NOW:** . Professor, Department of Mathematics -University College of Umluj ,Tabuk University, Saudi Arabia, Benha University, Egypt.
- **2015 –2020:** Associate . Professor, Department of Mathematics -University College of Umluj ,Tabuk University, Saudi Arabia
- **2010 – 2015:** Assistant . Professor Department of Mathematics -University College of Umluj ,Tabuk University , Saudi Arabia.
- **2010 – 2015:** Assistant . Professor of Curricula and Teaching Methods of Mathematics Dept. Curricula and Teaching Methods of Mathematics, Faculty of Education , Benha University, Egypt.
- **.2007 – 2010:** Assist. Lecturer of Curricula and Teaching Methods of Mathematics , Dept. Curricula and Teaching Methods of Mathematics, Faculty of Education , Benha University, Egypt.
- **2000 – 2007:** Demonstrator of Curricula and Teaching Methods of Mathematics, Dept. Curricula and Teaching Methods of Mathematics, Faculty of Education , Benha University, Egypt.

Management positions

- **2016– Until Now, Supervisor Development & Quality Unite: Vice Deanship for Development & Quality – University College of Umluj, Tabuk University.**
- **2016 – 2019, Supervisor Community Service Unit – University College of Umluj, Tabuk University.**
- **2015- 2016 , Supervisor scientific research unit - Agency for Development and Quality University College of Umluj ,Tabuk University.**
- **2014 – 2020 Supervisor University Measurement & Evaluation Unit - University College of Umluj, University of Tabuk .**

- 2011-2013, Supervisor of the Department of Mathematics -University College of Umluj ,Tabuk University, from.
- 2013,Supervisor of the General Diploma of Education – University college of Umluj– Tabuk University - from..15/12/2013.
- 2011-2014, Coordinator of the Commission on Quality of self-evaluation unit - UniversityCollege of Umluj.
- 2011-2014, Coordinator of the Commission on Quality Research Unit - University College of Umluj.
- 2013-2014, Head Control Umluj University College - University of Tabuk - First Semester 2013-2014 and The First Semester 2014-2015m .

Research and published scientific studies:

- Goda.S.(2020). The Effectiveness of Using Blended Virtual Classrooms in Blackboard LMS on the light of the Daniel Model on Teaching Mathematica Program and Development Science Processes, Reasoning Ability and Academic Achievement Among Mathematics Department Students. *International Journal for Research in Education (IJRE), College of Education, UAE(The United Arab Emirates) University, <https://scholarworks.uaeu.ac.ae/ijre>*
- Goda.S. (2020). A proposed Vision for Developing the Mathematics curriculum at the preparatory stage in Egypt in the light of the common core state standards of mathematics CCSSM and Integrated STEM approach. **Journal of the Faculty of Education / Benha University**
- Goda.S.(2019). Using Edmodo in Teaching MATLAB for Developing Cognitive and Affective Creative Abilities among Mathematics Department Students at Tabuk University. *Journal of Educational & Psychological Sciences, JEPS Bahrain, 20(1), 281-318.*
- Goda.S.(2019). Professional Development of Mathematics Teachers in Tabuk in the Light of Vision 2030 and its Relationship with their Reflective Practices and Teaching Self – Efficacy. *Journal of Mathematics Education, Egypt - Volume (22) Issue (1) January 2019.*
- Goda.S.(2019). Using Geogebra Program in teaching Geometry and spatial reasoning in developing components of mathematical proficiency and self-learning skills among Prep – Stage students. *Educational Journal - Sohag University, Egypt - Issue 64 - August 2019.*
- Goda.S.(2019). A proposed module in biomathematics based on McCarthy's 4MAT model to correct some misconceptions of mathematical concepts and develop the Attitude towards mathematics among nursing students. *ournal of Mathematics Education, Egypt - Volume (22) Issue (11), part 2 October 2019.*
- Goda,S.(2018). Using Flipped Classroom in Teaching Discrete Mathematics for Developing Some Divergent Thinking Skills and levels of Information Processing among Mathematics Department Students at University of Tabuk. *he Educational Journal the Academic Publication Council – Kuwait University., 32(127) –June, pp.279-330.*
- Goda,S.(2018). Using Augmented Reality for Developing Computational problems Solving Skills and Emotional Intelligence among Disabilities Pupils in Learning Mathematics at Primary School in Kingdom of Saudi Arabia (KSA).

Arab Studies in Education and Psychology - Arab Educational Association, Egypt, 95, March, pp.21-52.

- The Effectiveness of A Suggested Unit In Spatial Geometry Based on Mathematics Education Standards In Developing Some Spatial Sense Skills Among Secondary School Students In Their Spatial Ability, *Journal of Mathematics Education* (An Arbitrated Research Journal), 2010, Volume (13), April, PP.125 – 287.

Research paper (2):

- Research paper (2): The Effectiveness of A Suggested Unit In Spatial Geometry Based on Java Software In Teaching Spatial Geometry Among Secondary School Students In Their Spatial Ability, *Journal of Mathematics Education*, 2010, Volume (13), April, PP. 288-312.

Scientific Activities

- Vice dean for development & Quality web site and The activation of each site blocks and Uploading Tasks and training courses , programs and files on the site each.
- Organizing the activities of the 2017 International Quality Day Program under the slogan "Everyday Leadership & Professional Quality" and organizing an accompanying exhibition supported by the enhanced reality & Qr code
- Unit of measurement and evaluation site management and The activation of each site blocks and Uploading Tasks and training courses , programs and files on the site each.

- Preparation of "evidence" a guidebook for Graduate Research - Scientific Research Unit - Agency for Development and Quality - University College of Umluj University of Tabuk -2015 m..
- Preparation of "evidence" a guidebook for Scientific Research Unit - Agency for Development and Quality - University College of Umluj University of Tabuk -2015 m..
- Preparation of "evidence" a guidebook for University Measurement & Evaluation Unit at University College of Umluj -2015 m..
- Preparation of a handbook, " a guide " for the Department of Mathematics - University College of Umluj - Tabuk University 2013-2014 .
- Prepare a proposal for perception to evaluate the performance faculty member at the University of Tabuk -2015 m.
- Supervision and participation in the activities of the Department of Mathematics Activity and prepare for a full day of e-learning and teaching mathematics - University College of Umluj- Tuesday - 21/04/2015 m and activities.
- Supervision of Field Training -General Diploma in Education- university College of Umluj - 2014-2015 m .
- Supervise the research entitled "Mathematics and its relationship to computer " was nominated for the post of scientific fourth the Forum at the University of Tabuk 2013-2014

Community service

- Provide a scientific lecture on the Disability of learning mathematics, Reasons and treatment , different segments of the community - shoahh Amal center - Dar heroes for Orphans -3-3 / 2017.
- a workshop on "SWOT Analysis, University College of Wajeh, University of Tabuk,27-28/12/1438 H by Six Hours
- Provide a training course on "Statistical analysis of the scores of students using SPSS" - leaders of schools at Umlujj - on Tuesday and Wednesday 22-23 / 11/2016 by six hours.
- A training course on Authentic Evaluation between theory and practice, Target group , Teacher, Umluj , 11/4/2016.
- ***Program on Exam & Evaluation , Target group , Teacher, Umluj , 10-11/4/2016***
- Supervision and participation within the activities of the Department of Mathematics Activity for two days Tuesday and Wednesday - 22-23 / 6/1435 for " elevate the spirit of " the secret of my happiness and voluntary " academic year 1434-1435 AH / 2013-2014m .
- Supervision and participation in the working group to prepare a science exhibition on mathematics and its importance . University College of Umluj - University of Tabuk- 2013-2014 .
- Supervision of the following acts and participation in scientific fifth and Sixth forum at the University of Tabuk 2014-2015/ 2015-2016 .

- Community service entitled “Awareness program based on blogs and social networks to form public opinion and awareness toward the illusion of digital drugs.
- Search on “educational site design via Google applications through the Internet and its effectiveness in the development of some of the research skills at Student University College of Umluj .
- Research entitled “The reality of the use of mathematics teachers of the computer and the Internet At Umluj”
- Research entitled “Design site to book an appointment at the hospital and managed online in Tabuk .
- Participate in the provision on " Visiting Mother" program in kindergarten King Abdullah of the Commission for Social Development Umlooj eligibility under the title of " educational video about the five senses and hygiene " 1433 H - 2013 .

Training :(Trainer)

- Workshop entitled: "Suggestions class and model - Moodle BigBlueButoon, University of Tabuk" - e-learning and distance learning unit - University of Tabuk
- • Presentation of a workshop entitled "supporting education and educational platforms" "Shams + EDMODO" - e-learning and distance learning - University of Tabuk 7/2/1440 e - 16/10/2018 by 3 hours
- • Presented a workshop entitled "Learning Outcomes Learning Outcomes" - Unit of Measurement and Evaluation - University College of Salt - University of Tabuk, 11-12 / 4/2018 m by 4 hours.
- • Presentation of a scientific lecture "methodology of scientific research and techniques" - graduates of the university college in Umluj. 2018
- • Presented a workshop on "Skills of using the digital library" - targeted graduates of the Department of Mathematics and the Department of Computer Science - Training and Skills Development Unit - Agency for Development and Quality. 2018
- Presentation of the "Question Banks and Kay Pro Maysleton" Workshop - Unit of Measurement and Evaluation - University College in Majj - Tabuk University - 21/2/2017.
- Presentation of the workshop "Benchmark " Development and Quality Agency - University College in Umluj - Tabuk University - 28/2/2017
- training course “ Total Quality Management” TQM and Continuous improvement- Kaizen methodology , Administrative Staff, for two days, Vice Deanship for development and Quality , University College of Umluj , University of Tabuk, 17-18/ 1/ 1438 H.
- a workshop on statistical analysis using SPSS 8/12/2015 m - Measurement & Evaluation Unit -University College of Umluj- University of Tabuk .
- Provide training course " Educational Objectives and areas classified “University measurement and evaluation unit - University College of Umluj. On 13 /5 /1437 -University of Tabuk

- Develop and implement a training program for Evaluation and Measurement Tools of 12-16/ 5/1437 m by 5 days - Measurement & Evaluation Unit - University College of Umluj- University of Tabuk .
- Develop and implement a training program for Exams and Questions banks of 5-8/ 12/2015 m by six days - Measurement & Evaluation Unit -University College of Umluj- University of Tabuk .
- a training course entitled " Researchers future " for two days 20-21 / 11/2015 m - Agency for Development and Quality - and the scientific research unit- University College of Umluj- University of Tabuk .
- Develop and implement a training program for Assessment for Development of 11-18 / 10/2015 m by six days - Measurement & Evaluation Unit - University College of Umluj- University of Tabuk .
- Provide training course " Assessment Tools for Developing" Measurement & Evaluation Unit -University College of Umluj- University of Tabuk on 12/ 10/2015.
- Provide a lecture entitled “directives and instructions on field education " 10/20/2015 m - -University College of Umluj- University of Tabuk
- Develop and implement a training program for assessing the performance of a faculty member and measure learning outcomes of 12-15 / 4/2015 m by four days - Measurement & Evaluation Unit -University College of Umluj- University of Tabuk .
- Provide training course " Evaluate the performance of a faculty member between theory and practice" university measurement and evaluation unit - University College of Umluj. On 12/13/2015 -University of Tabuk
- Provide training course " Evaluate the performance of a faculty member between theory and practice: the experience of the Egyptian universities in this context -“University measurement and evaluation unit - University College of Umluj. On 13 /12/2015 -University of Tabuk
- Provide a scientific lecture " Learning difficulties” Unit Academic Advising - University College of Umluj. On 19/4 /2015 -University of Tabuk
- Develop and implement a training program for” the development of self “- 8- 12 / 3/2015 m by five days –Measurement & Evaluation Unit -University College of Umluj- University of Tabuk .

- Provide training course "Habits of Mind " university measurement and evaluation unit - University College of Umluj. On 11/3/2015 -University of Tabuk
- Develop and implement a training program for tests of 13-12- 2014 m to m 12/17/2014 - University Measurement & Evaluation Unit - University College of Umluj- University of Tabuk.
- Provide training course "ways to develop methods Academic Evaluation: Authentic Evaluation," University Measurement & Evaluation Unit - University College of Umluj- University of Tabuk. On 17 /12 /2014.
- Preparation and submission of a workshop on "directives and guidelines for writing a plan course ," according to a model plan course's Measurement and Evaluation university Unit , " University Measurement & Evaluation Unit - University College of Umluj- University of Tabuk, 2014-2015
- Preparation and submission of a training course on "the foundations of scientific research and methodology" in the training programs to prepare for the Fifth Scientific Forum at the University of Tabuk- University College of Umluj - 2014-2015 .
- Preparation and submission of a training course on ""Writing a reportscientificresearchskills"" in the training programs to prepare for the Fifth Scientific Forum at the University of Tabuk - University College of Umluj - 2014-2015.
- Preparation and submission of a training course on "the foundations of scientific research and methodology" in the training programs to prepare for the Fifth Scientific Forum at the University of Tabuk –University College of Umluj -2013-2014 framework.
- Provide a workshop on "Excel program and its applications in the statistical analysis of the questionnaire evaluating Course" Quality Unit - University College of Umluj- University of Tabuk– 2013 –2014.
- *Participation (as a member of the project implementation team) in the project development skills of faculty members and their assistants, Benha University, Faculty of Education in the field of modern technology to display and production of educational materials in some of the activities of the project and its programs three training during the first phase of the project in 2005/2006.

Training

- Training of Trainers Diploma TOT, Canadian Training Center of Human Development, Ain Shams University, 2017.

- Human Development Diploma, Canadian Training Center of Human Development, 2017.
-
- Attend a training course in the computer ICDL programs in (IT / WINDOwS / WORD / EXCEL / ACCESS / POWER POINT / INTER NET) fourth edition in 2007 from the College of Computing and Information ,shebinKom, University of Menoufia.
- Attend a training course in computers in WINDOWS / WORD / EXCEL from the center of "the Arab Group for the computer and languages" of the National Democratic Party in 2003 and 2006.
- Attend a training course in computers in WINDOwS/ WORD / Presentation of the Ministry of Higher Education - Supreme Council of Universities - Training Unit in 2009
- Attend a training course in computers in -Advanced Word-of the Ministry of Higher Education - Supreme Council of Universities - Training Unit in 2015.
- Training course " Skills of smart devices and applications in search " - The Ministry of Higher Education - Saudi Digital Library .٢٠١٧.
- Training course " Skills of using data vessel engines " - The Ministry of Higher Education - Saudi Digital Library .٢٠١٧.
- Training course " Use Microsoft Word to write your research " - The Ministry of Higher Education - Saudi Digital Library .٢٠١٧.
- Training course " Analysis of qualitative data" - The Ministry of Higher Education - Saudi Digital Library .٢٠١٧.
- Get Electronic training course "Scientific Quotation" - The Ministry of Higher Education - Saudi Digital Library .٢٠١٧.
- Get Electronic training course "Edu Research " - The Ministry of Higher Education - Saudi Digital Library .٢٠١٧.
- Get Electronic training course "educational platform Odomodo" - The Ministry of Higher Education - Saudi Digital Library .2016.
- Get Electronic training course "Statistical analysis of questionnaires" - The Ministry of Higher Education - Saudi Digital Library .2016.
- Get Electronic training course " iThenticate " - The Ministry of Higher Education - Saudi Digital Library .2016.
- Get Electronic training course "Scientific Research and Proposals using Refwork program documenting" - The Ministry of Higher Education - Saudi Digital Library .2016.
- Get Electronic training course "Dar- El Manzomaa Database" - *The Ministry of Higher Education* - Saudi Digital Library .2016.

- Get training course "vital research ethics" - the King Abdul Aziz City for Science and Technology - the National Committee of Bioethics 0.2016.
- Improve student research projects, University College of Umluj, Tabuk University, 2016.
- The quality of university teaching in the light of the rapid learning concepts , University College of Umluj, Tabuk University, 2016.
- Attend a training course in Undergraduate Management in the "Development Project of faculty members and leaders" (FLDP) at the University of Benha, from ١٦/٦/٢٠١٥ to ١٨/٦/2015 -(15) Hours.
- Attend a training course in “Web Management”-"Development Project of faculty members and leaders" (FLDP) at the University of Benha, from ١٦/٦/٢٠١٥ to ١٨/٦/2015- (15) hours
- Attend a training course in “Financial and Administrative Aspects “- "Development Project of faculty members and leaders" (FLDP) at the University of Benha, from ٢٣/٦/٢٠١٥ to ٢٥/٦/2015 – (15) hours.
- Attend a training course in “Self –Assessment and External Auditing”- "Development Project of faculty members and leaders" (FLDP) at the University of Benha, from 23/٦/٢٠١٥ to 25/6/2015 – (15) hours.
- Attend a training course in “Statistical Analysis “-"Development Project of faculty members and leaders" (FLDP) at the University of Benha, from ٣٠/٦/٢٠١٥ to ٣/٧/2015 – (15) hours.
- Attend a training course in the program quality standards in the teaching process in the "Development Project of faculty members and leaders" (FLDP) at the University of Benha, from 24/8/2009 to 26/8/2009.
- Attend a training course in English language skills (TOEFL), Zagazig University, Community Service and Environmental Development Sector, English for Specific Purposes Center, from 24/5/2005 to 7/7/2005
- Attend a training course in English language skills (TOEFL) Local TOFEL Test of the Center for Public Service and foreign languages - Benha University - from 9/12010 to 24/1/2010.
- Attend a training course in the program "Effective Teaching" (T1) in the "development project, the capacity of faculty members and leaders" (FLDP), Zagazig University - Benha Branch, from 11/9/2004 to 15/9/2004 (40) hours.

- Attend a training course in " Techniques of Scientific Research" (T4) in the "development project, the capacity of faculty members and leaders" (FLDP), Zagazig University - Benha Branch, from 18/9/2004 to 20/9/2004 (24) hours.
- Attend a training course in "Effective Communication Skills" (I2) in the "Development Project of faculty members and leaders" (FLDP), Zagazig University - Benha Branch, from 21/9/2004 to 23/9/2004 (24) hours.
- Attend a training course in "Thinking Skills" (P1) in the "development project, the capacity of faculty members and leaders" (FLDP), Zagazig University - Benha Branch, from 25/9/2004 to 27/9/2004 (24) hours .
- * Attend a training course in "Ethics and Professional Ethics" (P4) in the "development project, the capacity of faculty members and leaders" (FLDP), Zagazig University - Benha Branch, from 29/9/2004 to 30/9/2004 (16) hours.
- Attend a training course in effective communication skills in the "development project of faculty members and leaders" (FLDP) at the University of Benha from 1/12/2009 to 3/12/2009.
- Attend a training course in the use of technology in teaching in the "development project, the capacity of faculty members and leaders" (FLDP) at the University of Benha from 7/12/2009 to 9/12/2009.
- Attend a training programs (the use of projectors education and maintenance - Production of educational materials - design educational situations) in the "project of developing the skills of faculty members and their assistants at the University of Benha in the field of modern technology to display and production of educational materials (BEN2)" during the nine days of the month Feb. 2006
- * Attend a training course in the Intel Teach Essential Course for Master Trainers of the Intel Teach Program (Certificate of Completion) in 2010. – Benha University.
- Attend a training course on "self-evaluation" Tabuk University - Deanship of academic quality and development, 2013.
- Attend a training course on "The new skills to deal with students " Tabuk University - Deanship of academic quality and development, 2013. Attend a training course on "the Web of Tabuk University"" Tabuk University - Deanship of academic quality and development, 2014
- Attend a training course entitled "Exam Questions: Types, Characteristics and Suggestions" – University measurement and evaluation Unit –University College of Umluj – Tabuk University- 14-12-2014m .

- Attend a training course entitled " Build and Design University College tests " - University measurement and evaluation Unit –University College of Umluj- 15-12-2014m .
- Attend a training course entitled " The art of dealing with the crisis tests "University measurement and evaluation Unit –University College of Umluj- 16-12-2014m .
- Attend a training course on : evaluating the performance of a faculty member between theory and practice and the experience of the University of Jordan in this context " - University of Tabuk - Wednesday and Thursday - December 2014 .
- Attend a training course on “Effective communication skills”- Measurement & Evaluation Unit , University College of Umluj - Tabuk University , 8/3/2015 G
- Attend a training course on “Self- development from an Islamic perspective ”- Measurement & Evaluation Unit , University College of Umlooj - Tabuk University , 9/3/2015 G
- Attend a training course on “Academic self-concept”- Measurement & Evaluation Unit , University College of Umluj - Tabuk University , 9/3/2015 G
- Attend a training course on “Six Hats effective thinking ”- Measurement & Evaluation Unit , University College of Umluj - Tabuk University , 10/3/2015 G
- Attend a training course on “New Strategies for your Academic Success”- Measurement & Evaluation Unit , University College of Umluj - Tabuk University , 12/3/2015 G
- Attend a training course on “Measurement and Evaluation Terms”- Measurement & Evaluation Unit , University College of Umluj - Tabuk University , ١٤/ ٤ /2015 G
- Attend a training course on “Measurement of learning outcomes”- easurement & Evaluation Unit, University College of Umluj - TabukUniversity, 15/ ٤ /2015 G
- Attend a training course on “Self Evaluation”- Measurement & Evaluation Unit, University College of Umluj - Tabuk University, ١١/ ١٠ /2015 G
- Attend a training course on “Student Self -Assessment”- Measurement & Evaluation Unit, University College of Umluj - Tabuk University,13/ ١٠ /2015 G

- Attend a training course on “Evaluation : Concepts - Steps”- Measurement & Evaluation Unit, University College of Umluj - Tabuk University,14/ ١٠ /2015 G
- Attend a training course on “Assessment & Evaluation in Islamic”- Measurement & Evaluation Unit, University College of Umluj - Tabuk University,١٥ / ١٠ /2015 G
- Attend a training course on "Building Standards Tests -Measurement & Evaluation Unit, University College of Umluj - Tabuk University,٥ / ١٢ /2015 G
- Attend a training course on "Questions Banks -Measurement & Evaluation Unit, University College of Umluj - Tabuk University,6/ ١٢ /2015 G.
- Attend a training course on " Reference comparisons’ - Agency for Development and Quality , University College of Umluj - Tabuk University, 6/ ١٢ /2015 G
-

Certificates of appreciation and awards

- Certificate of Appreciation presented by the Dean of the University College of Umluj- University of Tabuk on efforts in the supervision of the Department of Mathematics , 2012 .
- Shield honor and a certificate of appreciation by the Dean of the University College of Umluj - University of Tabuk on efforts in the supervision of the Department of Mathematics .2013 .
- Shield honor and a certificate of appreciation by the Dean of the University College of Umluj - University of Tabuk on efforts in the supervision of the Department of Mathematics .2014 .
- Certificate of Appreciation submitted by the Dean of the University College of Umlujto participate in the arbitration and supervision of the Posts- the fourth scientific the Forum - University of Tabuk -2014
- Shield honor and a certificate of appreciation by the Dean of the University College of Umluj - University of Tabuk for Supervision the unit of measurement and Evaluation , 2015.

- Certificate of Appreciation submitted by the Dean of the University College of Umluj to participate in the arbitration and supervision of the Posts- the fourth scientific the Forum - University of Tabuk -2015

conferences

- **Participated** in a scientific paper entitled " Using Augmented Reality for Development Computational problems Solving Skills and Emotional Intelligence among Disabilities Pupils in Learning Mathematics at Primary School in Kingdom of Saudi Arabia (KSA) at the Conference of Excellence in Teaching and Learning Science and Mathematics "Professional Development - Future Prospects" Center for Research Excellence for Development Learning Science and Mathematics on Wednesday and Thursday 14-15 / 8/1438 corresponding to 10-11 / 5/2017.
- Participation in the presence of the Fifth International Conference "Egyptian Association for Curriculum and Teaching Methods" (26) 3-4 / 8/2017 "Curriculum in the Arab world and the challenges of identity."
- Participate in Workshop in Measurement and Evaluation at Universities Between Theory and Practice - Measurement & Evaluation Unit, Tabuk University, 2-5/3/2015 G.
- *Participate in the presence of some of the conferences of the Egyptian Association for Curriculum and Instruction.
- *Participate in the conferences of the Egyptian Society of Mathematics Education.
- *Attend the seminar discussions "curriculum, values education" set up by the Egyptian Association for Curriculum and Instruction in collaboration with the Faculty of Education, Benha University 21/3/2001.
- Preparation and submission of a symposium on "Research Methodology - founded and standards writing the research report" - University College of Umluj-2013

Committee membership and scientific societies

- Member of the Evaluation Committee at the Education Conference in Amlaj Governorate 2017.
- Commission decision of preparing the annual report, University College of Umluj.- University of Tabuk -2015/2016.
- Member of the Committee of Internal Audit- Agency development and quality - University College of Umluj. – Tabuk University- 2015.
- Member of the committee preparing the annual report, University College of Umluj.- 2015.

- Standing Committee member of the university College of Umluj - University of Tabuk ,2011 .
- Chairman of the Department of Mathematics - University College of Umluj - University of Tabuk – from 2011 until 2014
